

OFFICE OF THE
ARCHIVIST.

Ottawa, 14th Jany, 1909.

Dear Sister.

I have received your letter of the 11th inst. enclosing Post office orders for \$102.50. I enclose herewith the cancelled note with thanks.

As you observed I certainly do find the steady cold weather much more ~~agreeable~~ ^{pleasant} and pleasant than the winter weather at Fort Erie. It was 18 below zero the other morning and it did not seem unpleasantly cold. I hope you are all well. We have had very good health so far. Julia joins me in best wishes to all

Sincerely yours

Christophant
