

BOYD - Allyson, Lindsay, Adam and Kristi want everyone to know they have a new baby brother, Nathaniel John Philip. Nathan made his speedy arrival on March 20th at 10:24pm. He weighed 8lbs. 7 oz. and was 21-1/2" long. Thrilled mom and dad, Karen and Barry, praise God for 5 terrific kids. Proud grandparents for the 6th time are Jack & Lois Green. Many thanks to Dr. K. Attuah for 9 month of wonderful care and to the OB staff (especially Lorraine who almost had to deliver again!). We thank you for your TLC also. Special love and thanks to Grandma and Aunt Shirley for taking such good care of the kids and for all their extra help. To all our friends and family who gave us such beautiful cards and gifts and made us wonderful meals, you have blessed us so much. P.S.- Marilyn, we're so glad everything worked out so you could witness the birth of our little miracle. You're a wonderful friend! Barry- thanks for putting up with 9 months of hormones and especially for getting us to the hospital on time. We love you!
