## CHAPMAN

Doug, Debbie, Aimee and Peter Chapman are thrilled and thankful for the safe arrival of beautiful, SARAH VICTORIA. Weighing 8 lbs. 4 ozs, born at 7:30 p.m. May 9, 1988. There aren't sufficient words to thank Dr. Attuah and O.B.S. Staff of Douglas Memorial Hospital for their

excellent care and support. A very special thank you to Daddy for his love and understanding.
