HURRELL'S

STOCK OF

DRY GOODS

—AND—

BOOTS and SHOES

Are just a shade finer than ever offered before. The new dry goods are specially attractive—in fact, it goes without saying that Hurrell's dry goods are always right—right in it, in style and price.

A special effort has been made to please in the line of Teas. Try a sample.

In ready-mixed paints, oils, etc., the stock is ready for the buyer. Inspection is asked.

If you've got the grip HURRELL'S is just the place to go to get it wiped out.
