

VOTE FOR

A MAN WITH

COMMON SENSE

FACTS: In the past, election promises to curb cost of operations, led us to top heavy municipal government and the wasteful expenditure of hundreds of thousands of dollars. To aid the top heavy municipal government's salary increases, for elected and senior staff our budget was boosted to over 15 million dollars annually!!!

Obviously, further fulfillment of promises in such a manner may prove to be detrimental to our community:

A DEAD END.

A CANDIDATE'S platform is founded on his/her own conviction of what is needed and necessary in the town.

However, what is really at stake is whether or not the candidate **DELIVERS WHAT HE/SHE PROMISED.**

AS A CANDIDATE FOR MAYOR I have a **platform** of promises **that will not be broken.** Forget the empty promises of the past.

I am committed to all the citizens (taxpayers) of the Town of Fort Erie.
