Dear Voter:

This is the year for decisions.

Your vote can take this community forward to meet the future. I believe in the potential of our community. However, to achieve this we need effective planning, financial responsibility and, most important, decisive leadership.

I believe I have the ability to get the job done. My qualifications are:

- 25 years of business and management experience
- Experience on commercial, industrial, retail and Government Projects
- Experience in dealings with Municipal, Regional and Provincial levels of Government and their Agencies
- Experience in supervision of engineering projects
- Experience as a member of the Town of Fort Erie Planning Board
- Experience in Supervision and Administration of multi-million dollar projects.

Your vote is the first step toward effective and decisive leadership for our community.

I welcome any questions you may have.

I would appreciate your support and active involvement.
