

LUNDY'S LANE CEMETERY::: NIAGARA FALLS

In 1779 James Fersyth gave 23 acres of land on Drummond Hill south of Lundy's Lane, to his daughter Sarah upon her marriage to Christopher Buchner. They in turn gave a half acre for the Drummond Hill cemetery. Later their son Lt. John Buchner, gave addition land for the use of this Cemetery. " above from Francis Petrie"

As the years past , this historical place became known as the Lundy's Lane Cemetery. This was the scene of the most stubbornly contested battle of 1812. There stands here an obelisk erected to the galant soldiers of this war, erected at a cost of \$ 5,000.00

Many of the graves are of the soldiers from this battle, and of others fought along the Niagara district. Among them are:
