

MORNINGSTAR MEAT & GROCERY STORE::: PHIPPS ST. & ROBINSON.

Mr. Aran Morningstar had the brick store built on the corner in the late 20*s and ran the store well into the thirties.

The business was then taken over by Frank Turner.

Following in the business was Alf. Macklem who later went bankrupt.

the building was empty for a time then taken over by a Frank Kalckreuth, though his store was on a much smaller size, with a few canned goods, and colc cuts .

He left the business and the store was again empty for some time.

it was then taken over by an Italian family, but they were forced to vacate over a town rulling that the building had not been used for a place of business, for too long.

Finally after much discussion around town, and in the council, the building was again vacated. it stood empty again for some time before being converted into an apartment building.
