YOUR SUPPORT MATTERS

Our three library branches are an important resource that help to strengthen and build a healthy community.

Offering free access to books, reading, information and technology. The libraries provide educational and special programming for all ages.

Most of all, it is a fun, safe place to dream big dreams.

With your donations and participation in our fundraising events, your Fort Erie Public Libraries can continue to offer programs and resources beyond those that are publicly funded.

Thank you for your support!
